

## Annual General Meeting 2022

### ADDENDUM

---

Ruth Carson, ACAT Vice-chair, will be standing down at the forthcoming AGM and will not be standing for re-election as a trustee.

The Board requires a vice-chair and it is anticipated that an acting vice-chair will be selected by the Board from the Trustees. The Acting Vice-chair will then stand for formal election by the members in 2023.

Four nominations have been received for Trustee without Office, but there will not be a ballot.
