

COGNITIVE ANALYTIC THERAPY BIBLIOGRAPHY OF PUBLICATIONS

This bibliography of CAT publications lists articles in peer reviewed journals; articles in "Reformulation", the ACAT in-house journal for members; book chapters and books about CAT.

Each section lists the publications alphabetically. Each publication / reference is accompanied by a link to a Full Text article where this is freely available on the internet, including Reformulation articles. DOI links will take you to the publisher's page for the article or book. This is for reference purposes - most DOI links will not take you to the full paper. However, if you are signed in with an institutional login (for example, OpenAthens for NHS staff), the DOI link may take you to the full text paper if it is included in the NHS subscription

Updated 8.4.2021

Co-ordinated by Steve Jefferis and Dawn Bennett on behalf of ACAT Training Committee, with assistance from Esther Matupi and Katie Bifani (Centre for Specialist Psychological Therapies, Cumbria Northumberland Tyne and Wear NHS Foundation Trust). It will be maintained and updated by a librarian.

There may be errors and omissions in the bibliography: if you find any, please inform us via librarian@acat.me.uk. If you come across any new publications to add to the bibliography please send details to the librarian.
